Senior News and Comps

Hello, Senior Members.

Welcome to the Winter season of golf, we have already had rain, fog and a touch of frost, but we soldier on. We all enjoyed our game with Haxey Golf Club, despite losing 6-3. A home and away game has been arranged for 2017. You will see a list of all summer winners with trophies being presented at the White Swan after our fun game on 29th September. Our first POTY and Winter League have taken place with K. Morse taking the POTY and P. Whitworth and S. Hearsh first place for the Winter League. I would like to welcome these two along with Ray Ockert to the Senior ranks. Coming up we have the Pairs K/O, The Begging Bowl And the Hamper/Turkey Trot games plus league and POTY matches.

Unfortunately due to lack of numbers we had to cancel the Ladies v Gents game on October 18th. To add, I cannot find the prestigious Lincs v Notts Trophy which has gone awo. This is due to be played on Feb 24th 2017. Come on guys it's got to be somewhere.

To ensure you can book next year's holidays, the 2017 fixtures will be out shortly.

Happy Golfing, Mike.

Do you know the Golf Rules?

Rule2 - Matchplay

Question

Prior to a single match, A stated to B that a third player would be playing with them. B played the match under protest and lost. What is the ruling?

Answer

A single is a match where one plays against another. As B made a timely claim the committee should award the match to B. If he had not protested, the result would have stood.

Question

In a match A and B left the 18th under the impression that A had won. They later realised that the match was all square. This was referred to the committee. What is the ruling?

Answer

2016.11.(03)

Since there was no indication that wrong information had been given, the match stands with A as the winner.

Question

Prior to the start of a handicap match, the 2 players correctly advised one another as to their handicap entitlement. During the match A, by mistake, took a stroke to which he was not entitled at a certain hole. This was discovered several holes later. Can B then claim that hole.

Answer

No. A late claim would not be valid unless it was based on facts previous unknown to B, and B had been given the wrong information to A. In this case A had given the correct information as his handicap entitlement, and it was B's responsibility to know the holes at which handicap strokes are given.

Questions

A, unable to find his ball after a 2 minute search, suggests to B, his opponent, that they move on to the next hole. A's ball is then found. A withdraws his suggestion to move on, and play is resumed. Before A plays his ball, B plays a stroke with a wrong ball. What is the ruling?

Answer

A's suggestion amounts to a concession of the hole which cannot be withdrawn (rule 2.4). B's action after A's concession could not deprive him of a hole already won.

Note: rule 2-4

A player may concede a match at any time prior to the start or conclusion of that match.

A player may concede a hole at any time prior to the start of conclusion of that hole.

A player may concede his opponent's next stroke at any time, provided the opponent's ball is at rest. The opponent is considered to have holed out with his next stroke, and the ball may be removed by either side.

A CONCESSION MAY NOT BE DECLINED OR WITHDRAWN.
